and on, and our score to settle gets longer as well.
As part of our retaliation to Sharon's madness and with the success granted by Allah and His protection, the two fighting martyr brothers:
The fighting martyr \ Osama Mohammed Id Bahr
The fighting martyr \ Nabil Mahmoud Jamil Halabiyeh
have carried out on Saturday evening, 12/1/2001, the night of Ramadan 17, their bold and painful attack in one of the enemy's dens in occupied west Jerusalem as a revenge for the blood of our martyrs and a punishment to all the reckless leaders in the enemy's army and ministry.
We do not only do this in self-protection or in retaliation of a future killing, but we also do this as part of our absolute right to react towards the continual aggression and usurpation of our country for more than 50 years. We also wish to emphasize our right of resistance and our right to die as martyrs [istishhad], which is the pinnacle of resistance - that is to say, to sacrifice one's self, spirit and blood is an absolute right, despite the aggressive attack by the enemy and some liars, meant to rob us of this right.
"And soon the unjust assailants will know what vicissitudes their affairs will take!" [al-Shu'ara, 227]
Allah is the greatest and glory to Islam
Truly the Jihad is victory or martyrdom
