

As the Martyr Izz al-Din al-Qassam Brigades announce [the death of] their hero martyr, executor of the Suicide attack in Jerusalem –

The hero warrior \ Abd al-Mu'ti Muhammad Saleh Shabana

18 years old from Hebron

They announce the following:

First: The Jerusalem operation marks the beginning of a new series of debt, for which the Zionists will pay the price, and during which we will target every Zionist that will usurp our country.

Second: We call to the countries' citizens to leave the state of the Zionist Entity immediately in order to save their lives, for - if Allah chooses - our strike will include our entire land that was usurped in '48 and '67.

Third: The Zionist criminals' threat to crush our movement only represents the pinnacle of failure. Since when were the Zionists able to do that and did not do it?

Four: We promise our brave prisoners that their matter remains our topmost concern, and we will explode any solution that does not include their matter among its priorities in the first innovative operation of al-Qassam.

Five: We salute the cell of al-Qassam that carried out the Jerusalem operation and we call to all of the cells to quickly carry out an earth-shattering retaliation and to turn the [Zionist] Entity's state into ruins. Let the explosives cells and the suicide attacks cells move forward, and let the incursions cells and the settlements' demolition cells set out, and let the operations of firing rockets and blowing up tanks escalate, until the Zionists will leave in humiliation.

O, sons of al-Qassam: Each of you guards an opening, so advance, and Allah is your protector and the one who enables you to watch the Zionists, if Allah chooses.

O, glorious nation:

The Martyr Izz al-Din al-Qassam Brigades promise you that they will retaliate in such a manner that will heal your breasts, remove the wrath from your hearts and shake your enemies. We desperately need your invocations while you are prostrating and your prayers in the black of night that Allah will guide our guns and aim at our targets. May Allah aid us and you, and may He make our religion and nation stronger.

"Remember how the Unbelievers plotted against thee, to keep thee in bonds, or slay thee, or get thee out (of thy home). They plot and plan, and Allah too plans; but the best of planners is Allah" [al-Anfal, 30]

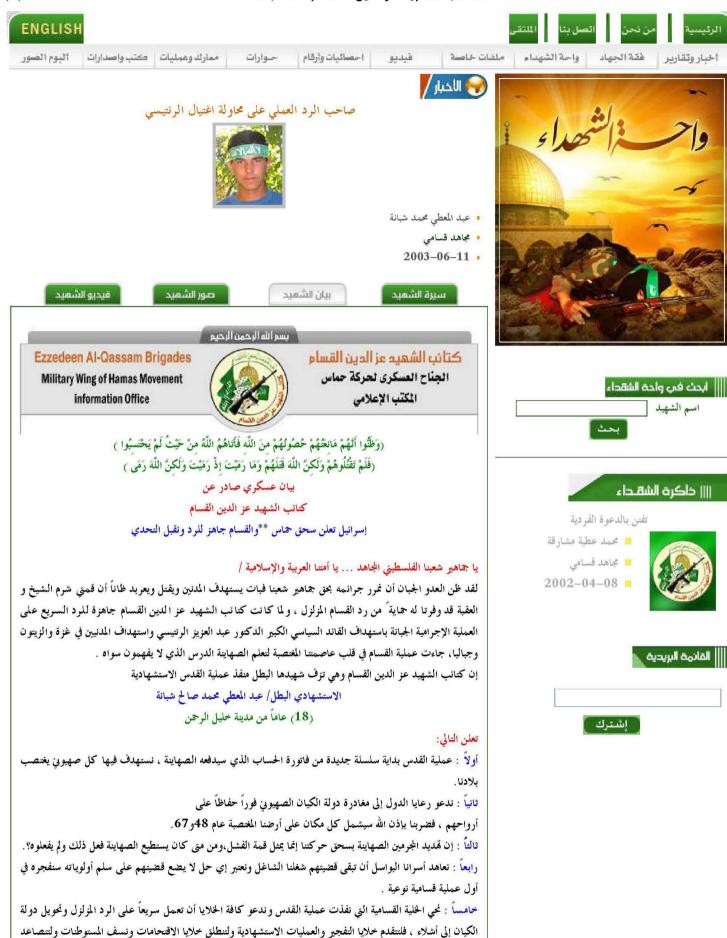

Truly the Jihad is victory or martyrdom
